

Academic Alliance Program – Application

Thank you for your interest and desire to incorporate SYSPRO into your course curriculum. In order to help us assess your program and how you envision using the SYSPRO suite of business software in that program, we ask that you complete the following application. Once you have completed the application please send it to: Academic.alliance@za.syspro.com. Please be sure to also provide a course outline where available and any other supporting documentation that you feel will assist us in evaluating your Academic Alliance application.
